OR
FRIDAY, APRIL 17TH, 2020
7:00AM – 4:00PM
To our customers,

The Huntingdon County Conservation District (HCCD) is excited to announce the return of the Huntingdon County Tree/Seedling Sale! We welcome all customers and hope to have the pleasure of serving you in the future. The HCCD has proudly served the community since 1955 and we strive to continue to conserve, manage, and protect the county’s natural resources. Trees offer many benefits and planting them is an easy and fun way to improve our environment!

Our catalog contains many trees that are favorable for Christmas trees, windbreaks, landscaping, erosion control, ornamental use, shade, and wildlife habitat.

ALL PROCEEDS from the annual tree/seedling sale help to fund our educational outreach programs.

Cordially yours,

Huntingdon County Conservation District
10605 Raystown Road
Huntingdon, PA 16652

**EVERGREEN SEEDLINGS**

**White Spruce** (*Picea glauca*)
Fast-growing, hardy tree that can reach heights of 50-100 feet high. Tolerates a variety of soil conditions. Popular Christmas and ornamental tree. Provides winter cover for many songbirds and small mammals.

3-yr old seedlings, 10-18 inches.
20 seedlings/$12.00

---

**Douglas Fir** (*Pseudotsuga menziesii*)
Fast-growing, reaching heights up to 70-90 feet tall. Prefers well-drained soil with full sun. High demand as a Christmas tree or ornamental. Provides excellent cover for many songbirds and small mammals.

3-yr old seedlings, 10-18 inches.
20 seedlings/$12.00
**DECIDUOUS SEEDLINGS**

**American Beech** (*Fagus grandifolia*)
A handsome shade tree reaching heights of 60-80 feet high. Found in rich, well-drained, moist soils. Fall color is a brilliant yellow. Produces beechnuts which are highly favored by grouse, turkey, bear, and squirrels.

**SOLD OUT!**

---

**White Oak** (*Quercus alba*)
Valued timber species reaching heights up to 50-70 feet. Tolerates a variety of soil conditions. Fall color is red/burgundy. Acorns are a valued food source for white-tailed deer, turkey, grouse, and squirrels.

2-yr old seedlings, 12-15 inches.
10 seedlings/$10.00
Deciduous Seedlings

Sweetgum (*Liquidambar styraciflua*)
A favored shade/ornamental tree due to its bright red fall coloration. Prefers moist soils and reaches heights up to 80-100 feet. Seeds consumed by many birds and animals.

2-yr old seedlings, 12-15 inches.
10 seedlings/$10.00

---

Eastern Redbud (*Cercis canadensis*)
Small tree (15-25 feet) favored for its bright pink flowers in the spring. Prefers moist soils along streams or forest edges. Flowers offer excellent pollinator benefits.

**SOLD OUT!**

---

American Elderberry (*Sambucus canadensis*)
Small shrub (10-15 feet) that produces edible berries often used to make wine, jelly, and cough syrup. Tolerates dry-wet soils.

**SOLD OUT!**

PICK-UP LOCATION – HCCD Office

The HCCD office is located in the USDA Service Center Building next to the State Police Barracks (1½ miles from Route 22 West on Route 26 South).

10605 Raystown Road, Huntingdon, PA 16652

Plants not picked up are NOT the responsibility of the Conservation District.

NOTE: Seedling quantities are LIMITED, all sales are on a first come first serve basis. We place our order to the tree nursery in the fall anticipating the amount of orders we will receive in the spring. Guaranteed live at delivery. We have no control over seedlings once they are picked up, therefore, we accept no responsibility and cannot guarantee survival. All seedlings are bare-root and grown and bought locally.

Any questions may be directed to watershed@huntingdonconservation.org or (814)-627-1626 ext. 3021
